Notes

- **Presentation by Angela Rich** - 5 Year MapWorks presentation
 - [Link to Presentation](#)
- **Discussion:**
 - ASQ - future years should give us some more insight into those that choose and those who do not choose to attend HSU
 - # of units completed maybe be an important factor to consider
 - Attempted vs. earned
 - Something more to do influence the behavior
 - 2 X 2 typology (particularly those who planned to stay but left and those who planned to leave by stayed)
 - Trends in major, CAPS, other services
 - How do we act on financial concerns
 - On campus employment
 - Curriculum renaissance - pathways that are clear and efficient
 - Cultivate the relationship with Arcata and the area
 - How do we invest more in student success via jobs
 - Restructure of budgeting on campus
 - More cost effective to allows students access to aid
 - How to avoid student job reductions during budget cuts
 - Student assistant increase in min wage = CO funding
 - Union component for replacing union position with student

Next up:

- SSA provide comment on Recruitment and [Retention Retention](#) Council documents
- Discussion item: allocation of GI 2025 resources: request process and pre-determined areas (e.g. set aside money for retention and recruitment council use)
